Message From The Board of Directors

Dear Sirs,

Since our foundation, KNIGHT LOGISTICS' founders have had a dream and confidence for providing clients with an outstanding service. We see that every shipment deserves as much care and attention as when we make the goods inside.

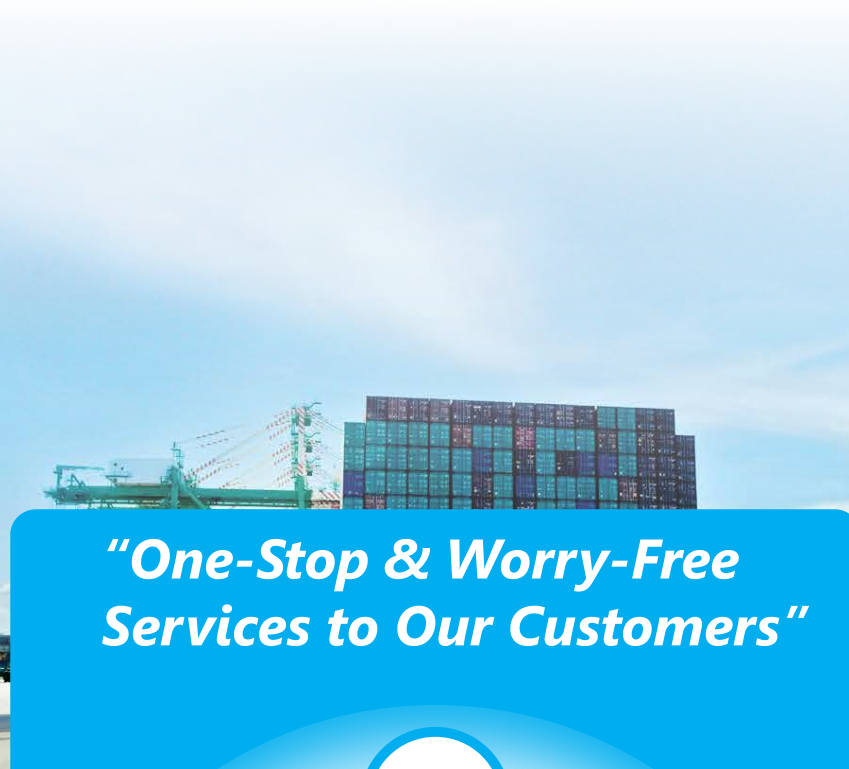

"You Point, We Delier."

You are the most important people to us and we are not satisfied until you are. Our aim of satisfying our clients is carrying in all our daily operations.

Surely, no presentation can compare to a conversation. Therefore, in order to provide you with personalized services, we would like to know your specific requirements.

KNIGHT LOGISTICS is born to do logistics services and we shall try our best to have a better contribution to Viet Nam logistics industry.

Knight Logistics B.O.D.

*"One-Stop & Worry-Free
Services to Our Customers"*

04 WHY CONSIDER
KNIGHT LOGISTICS
AS YOUR LOGISTICS PARTNER?

**>> OUR STRENGTH:
TOTAL LOGISTICS
MANAGEMENT**

SCOPE OF TRANSPORT CARGO

05

GENERAL CARGO

VALUABLE CARGO

PERISHABLE GOODS

LIVE ANIMALS

FROZEN SEAFOOD

**DANGEROUS GOODS, HAZARDOUS
MATERIALS AND DRY ICE SHIPMENTS**

UNACCOMPANIED LUGGAGE

PERSONAL EFFECT

06

AIR FREIGHT

We collect, deliver and ship your consignments the way you want, airport to airport or door to door with the best air freight and reasonable flight schedule. As the one of the leading air-freight forwarder and working in partnership with the industry's "best-in-class" suppliers, we can give you access to almost unlimited air-transport options.

- >> High Value Cargo Handling
- >> Dangerous Goods Handling (DGR)
- >> Shock-Sensitive Cargo Handling
- >> Temperature-Controlled Transportation

07

OCEAN FREIGHT

With extensive knowledge about the latest availability, cost movements and customs procedures, we can put together the best package deals for you. Knight Logistics manage a high quality portfolio of existing services on the market and can offer you many options for your ocean freight. We are driven to find more efficient and innovative ways to create value for your company and to give you the certainty that everything is under control, so that you can concentrate on your business.

- >> Full Container Load (FCL)
- >> Less than Container Load (LCL), Consolidation services
- >> Stuffing cargo and Container trucking
- >> Cargo Insurance

08

PROJECT CARGO & FACTORY RE-LOCATION

If heavy & oversized parts have to be moved from overseas to the project site or if a complete factory is relocated, solid planning work, a sophisticated transport concept and special equipment are essential. No distance is too far and no load is too heavy for us! We will plan and fulfill your transport wishes for any project – whether this involves hydropower project, thermal power plant or a whole production line – and not only for the domestic market, but internationally too.

- » Project cargo customs clearance & IOR service
- » Spare parts procurement & logistics planning
- » Customs Clearance for Used Equipments
- » Heavylift & oversized cargo transportation
- » Crane & forklift arrangement
- » Obtaining necessary licenses & permits

09

CUSTOMS BROKER AND DDU/DDP SERVICE

Correct and fast customs clearance is critical for the success of any international transport. Our experts keep studying all policy of the Customs rules and the Government regulations, right down to the smallest detail. This special knowledge enables us to handle all administrative tasks for you quickly and without any complications. Knight Logistics always give best solution for your needs whether it's a standard shipment or a special requirement. We always say: "Certainly we can" then we get busy and find out how to do it most satisfy the customers.

- » Customs clearance for both Import and Export
- » Fumigation, Inspection and Quarantine
- » Relative laws and regulations consultation
- » Express service for DDU/DDP Import clearance

TRANSIT SERVICES BETWEEN VIETNAM, CAMBODIA & LAOS

DANGEROUS GOODS TRANSPORTATION

For chemical and specialty hazardous materials, safety and efficiency are the greatest concerns in logistics. More than twelve years of experience in the industry, and with 5 IATA DGR qualified staffs, Knight Logistics offer you DGR specific logistics solutions between Vietnam and other countries that fulfill all requirements.

Dangerous Goods Transportation is Knight Logistics' strengths and feature. We are familiar with global dangerous goods operation and handling regulations and processes. With experienced and professional team trained through long-term practices and projects, Knight Logistics can provide dangerous goods declaration, handing and transportation cover IATA & IMO class 2, 3, 4, 5, 6.1, 8 and 9, especially lithium batteries, ISO tanks, and chemicals transportation. We provide all kinds of UN packaging for above mentioned classes.

To become the influential logistics enterprise in chemical and dangerous, hazardous cargo transportation is our consistent goal.

10

With Vietnam position as a gateway into Indochina countries, Knight Logistics specialized in offering cross-border bonded trucking and air & sea transit services as follows:

- » Transit Customs Clearance and delivery for shipments import to Cambodia from other countries via Ho Chi Minh city seaports / airport and vice versa.
- » Transit Customs Clearance and delivery for shipments import to Laos from other countries via Hai Phong or Da Nang seaports and vice versa.
- » Handy carry / DDP services between Vietnam – Cambodia, Vietnam – Laos.
